# Dedication

---

To our heavenly Mother and to our own dear earthly Mothers,  
whose untiring efforts have made our yearbook a reality,  
we, the staff, dedicate this Vincentian of 1950.

Then Mary up in Heaven smiles  
And drops Her mantle blue  
To hold them closer to her heart  
These Mothers hearts so true.

# Foreword

## *The Ideal Woman*

"She would be perfectly true.  
There would be no deception or insincerity in her.  
In every relation of life she would be found faithful.  
She would put herself last.  
In her heart Christ would be on the throne and self on the cross.  
Self-control would take the place of self-will.  
She would be serviceable.  
Her hands would reach out in loving helpfulness to every suffering, needy creature with whom she comes in touch, and no service would be too slight.  
She would be clothed with humanity.  
No pride or self-conceit would mar the beauty of the things she did.  
She would be gentle in speech.  
From her lips would come no harsh words to wound the hearts that were nearest and dearest to her.  
She would be personally attractive.  
She would glorify her Master by proving that He can make His followers beautiful with a more than earthly fairness.  
She would be popular.  
But the host of friends whom she would draw would not stand between her and her Lord.  
Rather, she would draw them nearer Him.  
She would love pleasure, knowing that Christ would want her to be happy.  
But her good times would be of such a character that Christ would be a sharer in them.  
More than all, she would be consistent.  
Her life would square with her work.  
So she would walk triumphantly the way of the Holy Cross, glorious in her discipleship, and crowned with the more than royal crown that He will give to those who overcome."

The names of these girls will be inscribed on a plaque, which will hang in the principal's office.

Sr. Anne Marie has directed the activities of this organization.

SHREVEPORT, LOUISIANA

---

*"Yes, Bill, I'd love to go"*

The value of the telephone isn't just the calls you make. Sometimes the calls you receive are even more important. You'd miss a lot if the telephone wasn't there.

Just on calls you make, the telephone's a big bargain in convenience, security, success and good times. When you add the calls you receive, it's an even bigger value.
